**Agricultural**

<p align="center">AG Policy Statement</p>	<p><i>The Vermont State Grange supports the concept of a state premise registration system that helps maintain animal health and consumer confidence in our livestock industry.</i></p>
<p>Policy 1-2022</p>	<p align="center"><b>Promoting Sustainable Agriculture</b></p>
<p><i>The Vermont State Grange Agriculture Director request the <b>continued</b> inclusion of these Sustainable Agriculture recommendations* to any Legislation being considered by the Appropriate Legislative Committee and to the Department of Agriculture</i></p> <ul style="list-style-type: none"> <li><i>*-Crop rotation</i></li> <li><i>-Permaculture (planting without tillage, etc.)</i></li> <li><i>-Cover crops</i></li> <li><i>-Natural Soil Enrichment</i></li> <li><i>-Natural Pest predators (Integrated Pest Management)</i></li> <li><i>-Polyculture Farming</i></li> <li><i>-Agroforestry</i></li> <li><i>-Biodynamic Farming</i></li> </ul>	
<p>Policy 17-2021</p>	<p align="center"><b>Support for Organic Milk Task Force</b></p>
<p><i>Vermont State Grange strongly encourages the effort of the Organic Milk Task Force established by the Vermont Agency of Food and Markets, especially urging them to work with organic producers, bottlers, and processors of organic products in finding new markets for organic milk production.</i></p>	
<p>Policy 2-2021</p>	<p align="center"><b>Non-Meat Substitutes in Separate Section</b></p>
<p><i>That non-meat substitutes should be contained in their own separate section in all food retailers and not displayed with real meat products</i></p>	
<p>Policy 1-2020</p>	<p align="center"><b>Community Food Security Plan and Food Security Act</b></p>
<p><i>Vermont State Grange supports the following: that once the initial food needs have been met, National, State, or Provincial governments offer simple guidelines to encourage fair food distribution. The focus should be on local communities to form a Food Security Committee, with Grange members to play an active part, to study a community's present and future food security needs, in order to be more prepared for future food insecurity situations.</i></p>	

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

Policy 1-2019	<b>Growth Management Plan for Milk</b>	<p><i>The Vermont State Grange recommend a Growth Management Plan that would incorporate:</i></p> <ul style="list-style-type: none"> <li>• <i>A dairy farmer governance board working in conjunction with USDA. The National Dairy Board model could be used for farmer representation with the addition of dairy economist and two dairy processors</i></li> <li>• <i>Determination of a base milk volume for individual producers</i></li> <li>• <i>Determination of the volume of milk required to meet domestic and export needs as well as a 30-day emergency stock of dairy products, nationally, regionally, and to the individual dairy farmer</i></li> <li>• <i>A means to provide strong signals to individual dairy farmers that milk over the required domestic and export volume and emergency stock is not desired</i></li> <li>• <i>A means for new dairy farmers to join family operations and/or start new individual dairy farms</i></li> </ul> <p><i>Detailed rules and regulations for the merging of dairy farming operations, the dissolution of farm partnerships and other changes in business structures, and be it further RESOLVED:</i></p> <ul style="list-style-type: none"> <li>• <i>That the Growth Management Plan be implemented at a national level and must be mandatory for all dairy producers to take part</i></li> <li>• <i>An administrative fee for all dairy farmers and a flat rate is supported</i></li> </ul>
Policy 4-2019	<b>School Meals Plate Waste</b>	<p><i>The Vermont State Grange urges the National School Lunch Program seek to further change portion sizes according to grade levels, in an effort to see less food wasted in our schools and that middle and high school students be given the option of choosing more protein and dairy, especially if they are athletes.</i></p>
Policy 1-2018	<b>Opposition to Prophylactic Use of Neonicotinoids</b>	<p><i>The Vermont State Grange go on record in opposition to the prophylactic use of neonicotinoids, and be it further resolved that the Vermont State Grange support statewide legislation requiring seed dealers to provide the option of untreated seeds for agricultural use and designating neonicotinoids as restricted use chemicals, which can only be applied by trained applicators, and be it further resolved that the National Grange support the establishment of an independent national laboratory at the United States Environmental Protection Agency (EPA) responsible for testing pesticides and reporting the EPA test results and be it further resolved that the National Grange support CLEAR labeling of ALL products containing neonicotinoids based on EPA test results as to their adverse effects to pollinators.</i></p>
Policy 2-2018	<b>Endangered Species Act</b>	<p><i>The Vermont State Grange and the National Grange go on record in opposition to weakening the Endangered Species Act. The Grange will contact members of Congress and encourage individual Grange members to contact their congressional delegations, to oppose any weakening to the Endangered Species Act.</i></p>
Policy 21-2018	<b>Whole Milk in School Meal Programs</b>	<p><i>That the Vermont State Grange go on record in support of the return of whole milk in the school breakfast and lunch programs.</i></p>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

<p>Policy 1-2017</p>	<p align="center"><b>Support for Legislation to Shield Farmworkers from Deportation</b></p>	<p><i>The Vermont State Grange supports SB1034 and urges the Congress to pass it immediately.</i></p> <p><i>SB1034 SUMMARY: The proposed legislation would create a “blue card” status similar to the “green card” status now currently available for other types of workers, e.g. computer programmers in Silicon Valley. The proposed legislation includes language protecting the farmer who has heretofore employed the applicant. “An alien must complete qualified work (documented by the farmer), not be ineligible (e.g., felon or terrorist), submit an application (to DHS) within the application period, pass nation security and law enforcement clearances and pay the proper fees and penalties to be eligible for blue card status.”</i></p>
<p>Policy 1-2014 Reaffirmed 2021</p>	<p align="center"><b>Wood Shelving in Artisanal Cheese Production</b></p>	<p><i>The Vermont State Grange and the National Grange is on record in support of all cheese makers who presently follow the FDA rules which continue to permit properly maintained, cleaned, and sanitized wood as an aging surface in cheesemaking and that these rules will continue to be enforced by state and federal regulators and inspectors, who clearly understand how traditional methods and materials comply with current food safety standards and that cheese makers in Vermont and around our country be allowed to continue the long-standing practice of using wood shelving in artisanal cheese production and aging.</i></p>
<p>Policy 2-2014 Reaffirmed 2021</p>	<p align="center"><b>Animal Care at Vermont Fairs and Field Days</b></p>	<p><i>The Vermont State Grange asks the Vermont Secretary of Agriculture to develop and distribute educational programs and information promoting the appropriate care of animals at Fairs and Field Days. Be it further recommended that all fair departments develop animal care check lists and accounting systems as a matter of record and to be used for educational purposes.</i></p>
<p>Policy 1-2013 Reaffirmed 2021</p>	<p align="center"><b>Support the Production and Use of Biochar to Benefit Agriculture and Climate</b></p>	<p><i>The Vermont State Grange agrees to educate its members on the advantages in the operations of Biochar production and its use for soil building, better crop production, water filtration, pollution mitigation, renewable energy generation, and greenhouse gas emissions reduction. The Vermont State Grange recognize biochar’s public good potential to reduce pollution, greenhouse gases, and phosphate runoff and the agronomic and economic value of biochar to farmers, and advocate to support Legislation that encourages and supports Biochar production and use at local farm production and state and Local policy levels.</i></p>
<p>Policy 14-2012 Reaffirmed 2021</p>	<p align="center"><b>Disaster Relief</b></p>	<p><i>The Vermont State Grange recognize the need for and support the Legislature to establish a permanent fund through the Vermont Community Foundation or equal organizations for Vermont agricultural disaster relief and that the funds only be dispersed for agricultural relief in Vermont for declared disasters.</i></p>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

<p>Policy 02-2011 Reaffirmed 2021</p>	<p><b>Recycling or Gleaning of Food Items from Stores</b></p>	<p><i>The Vermont State Grange encourages the Vermont Agency of Agriculture Food and Markets to</i></p> <ul style="list-style-type: none"> <li>• <i>develop a certification process, whereby local farmers and animal caregivers may be certified receive safe food that has passed its expiration date to use as feed for animals, not for human consumption or resale.</i></li> <li>• <i>That local farmers and animal caregivers, upon application and approval, would be granted a certificate that would enable them to enter into agreement with local stores and supermarkets, with a strict no-sale clause.</i></li> <li>• <i>That those supermarkets be encouraged to develop a plan to reduce food waste, and if supermarkets and other stores that sell food fail to develop and implement such a plan or participate in food to animals, they may not be allowed to receive a tax break for wasted food.</i></li> </ul>
<p>Policy 03-2011 Reaffirmed 2021</p>	<p><b>Vermont AgrAbility</b></p>	<p><i>Vermont State Grange Agricultural Committee add Vermont AgrAbility to their list of donations, which include the Heifer Project and the Kelley Farm.</i></p>
<p>Policy 01-2010 Reaffirmed 2018</p>	<p><b>Roadside Weeds</b></p>	<p><i>The Vermont State Grange urges the Vermont Agency of Transportation, the Vermont Agency of Natural Resources, and the Vermont Agency of Agriculture Food and Markets develop a roadside management plan of operation that includes the control of invasive species and noxious weeds. This plan should include any and all accepted practices of weed control and that a copy of this resolution be forwarded to the agencies mentioned above and that Town Highway Departments be encouraged to follow the plan.</i></p>
<p>Policy 01-2009 Reaffirmed 2017</p>	<p><b>Milk Price Support</b></p>	<p><i>The Vermont State Grange supports the federal efforts to increase dairy farm income by increasing the support price, investigating antitrust within the dairy industry, and finding new discovery methods for setting a fair price for milk, while recognizing the need for regional food security. The Vermont State Grange supports new efforts to establish a national supply management program that includes all dairy farmers in the country and will better demonstrate the federal mandate to provide a fresh, stable and affordable supply of milk and dairy products for American citizens.</i></p>
<p>Policy 01-2008 Reaffirmed 2018</p>	<p><b>Composting as an Agricultural Enterprise</b></p>	<p><i>The Vermont State Grange resolves:</i></p> <ul style="list-style-type: none"> <li>• <i>That the official policy of the State of Vermont should support and foster the composting of organic wastes</i></li> <li>• <i>That composting shall be treated by law as an agricultural endeavor.</i></li> <li>• <i>That the State shall enact additional statutes and adopt regulation specifically to further this policy</i></li> <li>• <i>That insofar as it is necessary to regulate composting to safeguard the public health, the regulations adopted for this purpose shall be specific to and appropriate for composting enterprises.</i></li> </ul>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

Policy 02-2008 Reaffirmed 2018	<b>Beef Check Off</b>	<i>The Vermont State encourages the creation of a regional approach to the national regulations of Beef Councils to allow increased funding and local participation of beef producers in Beef Promotion activities in the New England region. The Vermont State Grange also commends the Vermont Beef Industry Council for its leadership role in the Vermont Beef Industry.</i>
Policy 01-2007 Reaffirmed 2017	<b>Preferential Purchasing of VT Agricultural Products</b>	<i>The Vermont State Grange supports the preferential purchasing of Vermont agricultural products by state agencies and institutions and as a furtherance of this policy, the Vermont State Grange requests that the legislature enact a bill, which is a reasonable implementation of this policy.</i>
Policy 02-2007 Reaffirmed 2017	<b>Interstate Meat Sales</b>	<i>The Vermont State Grange supports that the law that prohibits the sale of state inspected meat products (beef, pork, lamb, goat, and poultry) across state lines be repealed and that Congress pass interstate meat inspection and sales legislation that will provide economic fairness and open markets, as well as food safety.</i>
Policy 05-2004 Reaffirmed 2017	<b>Infrastructure of Our Agricultural Industry</b>	<i>The Vermont State Grange strongly supports efforts to improve the infrastructure of our agricultural industry, realizing value-added agriculture and the production and processing of our food and fiber supplies for Vermont consumption is a state food and economic security issue. The Vermont Grange also strongly recommends that the State of Vermont partner with well-planned processing facilities through financial support with financial tax incentives and grant programs, as well as low or no interest loans through the Vermont Economic Development Authority.</i>
Policy 14-2003 Reaffirmed 2017	<b>Imported Agricultural Standards</b>	<i>The Vermont State Grange supports the USDA applying as strict standards to imported agricultural products as are applied to domestic agricultural products.</i>
Policy 32-2002 Reaffirmed 2017	<b>Forest Management</b>	<i>The Vermont State Grange supports good forest management practices including harvesting of timber on both public and private lands to keep our forests healthy and avoid catastrophic fires.</i>
Policy 22-1999 Reaffirmed 2017	<b>Agricultural Fairs</b>	<i>The Vermont State Grange supports an increase in the stipend fund (now called Based Funding) and the funding of capital improvement grants to assist agricultural fairs in showcasing Vermont Agriculture.</i>
Policy 34-1999 Reaffirmed 2017	<b>UVM College of Agriculture</b>	<i>The Vermont State Grange reaffirms support for the UVM College of Agriculture including the Extension Service and the Agricultural Experiment Station. Adequate funds should be provided for carrying out programs.</i>
Policy 07-1998 Reaffirmed 2017	<b>Discrimination in USDA Programs</b>	<i>The Vermont State Grange urge the National Grange to ensure the Federal Government followed through in investigating and prosecuting alleged incidences of discrimination in the USDA and its implementing policies that will bring about changes to end racial discrimination in the U.S. Department of Agriculture and in Federal programs.</i>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

Policy 01-1997 Reaffirmed 2017	<b>Vermont Agricultural Products</b>	<i>The Vermont State Grange urges the Vermont Department of Agriculture to continue to vigorously explore the possibility of overseas markets for the sale of Vermont agricultural and specialty products.</i>
Policy 03-1994 Reaffirmed	<b>Agricultural Promotion and Development</b>	<i>The Vermont State Grange commends the Vermont Agency of Agriculture, Food, and Markets for their efforts to encourage diversification and pledges to support the department in future programs of Agriculture development and promotion.</i>
Policy 02-1993 Reaffirmed 2017	<b>Business Promotion</b>	<i>The Vermont State Grange feels that any economic development program for the State of Vermont include the promotion of farming and its related businesses as its most important industry.</i>

**Environment**

Policy 02-2006 Reaffirmed 2018	<b>Alternative Energy</b>	<ul style="list-style-type: none"> <li>• <i>The Vermont State Grange goes on record in support of reducing energy costs and improving renewable energy opportunities and support for the State of Vermont further investigation and research in wind, solar, bio-fuels, bio-mass, methane digestion, and hydrogen, as well as creating other new sources of power for Vermont.</i></li> <li>• <i>The Vermont State Grange and the state of Vermont recognize the balance needed for both food and energy security, in determining what alternative energy systems is cost-effective and eventually adopted.</i></li> <li>• <i>That the State of Vermont, after thorough research, pursues funding incentives to help small businesses establish these alternate energy production methods.</i></li> <li>• <i>That the Vermont State Grange support the continuance and enhancement of the Rural Energy Systems and Energy Efficiency Improvement program of the Farm Bill at the National level, encouraging our state legislators to leverage state funding to enhance the projects</i></li> <li>• <i>That we as Grangers, establish ourselves as active participants and role models in energy efficiency in our daily lives, whether at work or at home, and seek to educate ourselves and others in energy efficiency.</i></li> </ul>
Policy 04-2006 Reaffirmed 2018	<b>Wilderness Designation in the Green Mountain National Forrest</b>	<i>The Vermont State Grange opposes the wholesale designation of large areas of the Green Mountain National Forest as wilderness area. The VSG encourages proper scientific management practices be employed to ensure continued multiple use of the Green Mountain National Forest for the benefit and enjoyment of all citizens.</i>
Policy 11-2004 Reaffirmed 2018	<b>Bottle/Can Deposit Bill</b>	<i>The Vermont State Grange supports a deposit on water/juice can and bottles which are not covered under the current soda can/bottle deposit.</i>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

Policy 12–1998 Reaffirmed 2018	<b>Preserve the Long Trail</b>	<i>The Vermont State Grange seek governmental support to preserve the Long Trail for generations from commercial development.</i>
--------------------------------------	--------------------------------	---

**Health, Education, and Welfare**

Policy 2-2020	<b>Strive for Social and Racial Justice, Equality, and Compassion in Human Relations</b>	<i>The National, State, and local Granges recognize that the fight for civil rights and equality is as real today as when it was founded in 1867, just two years after the 13<sup>th</sup> Amendment to abolish slavery was passed, and be it further resolved that the National, State, and local Granges urge their members to take initiative by sponsoring an open public meeting in collaboration with other local and national organizations to fight for social justice against the harsh racial practices to which people of color are exposed.</i>
Policy 10 EXE-2020	<b>Support for Vermont State Colleges</b>	<i>The Vermont State Grange urges the Governor, the Vermont Legislature, and the Board of Trustees of the Vermont State Colleges to ensure continued support of Vermont Technical College so that it can continue to provide essential educational opportunities to the citizens of Vermont.</i>
Policy 11 EXE-2020	<b>Assistance with Mental Health Expenses for Farmers</b>	<i>The Vermont State Grange encourage the Vermont State Department of Agriculture, Food &amp; Marketing and the Agency of Health and Human Services to make funding available to subsidize the cost of mental health counseling for farmers.</i>
Policy 12-2017	<b>Information on Prescriptions</b>	<i>The Vermont State Grange supports a rule that prescription information sheets should be written in font size 14 point, and be it further resolved this information should also be printed on white paper with contrasting black lettering.</i>
Policy 13-2016	<b>Prescription Drug Labeling</b>	<i>The Vermont State Grange supports a rule that allows a patient to request that all their prescription drug labels list the name of the drug, the dosage to be taken, and the reason for which it is to be taken, and be it further resolved that a copy of this resolution be sent to the Department of Health and Human Services.</i>
Policy 13-2014 Reaffirmed 2021	<b>Education about Vaccinations</b>	<i>That the Vermont State Grange goes on record in support of the following: That parents (guardians) of children that want to “opt out” of required/recommended vaccinations be required to participate in an educational program that explains the pros and cons of immunizations and be informed that immunizations are provided free of charge by the Vermont Health Department before signing the Waiver of Immunization Form.</i>
Policy 20-2011 Reaffirmed 2018	<b>Support Local Products Use in Nutritional Programs</b>	<i>The Vermont State Grange takes every opportunity to promote and support the use of local products in nutritional services provided in retirement homes, nursing homes, senior centers, and other institutions, including schools and hospitals.</i>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

Policy 05-2011 Reaffirmed 2018	<b>Schools Have Trained First Aid Staff</b>	<i>The Vermont State Grange encourages that the State of Vermont require that all schools have staff that has received instruction in first aid and the care of any relevant medical conditions as needed by the student population.</i>
Policy 06-2011 Reaffirmed 2018	<b>Nutrition Class for High School Students</b>	<i>The Vermont State Grange encourages the State of Vermont to require all high school students in the State of Vermont partake in an active class that has a nutritional component.</i>
Policy 05-2009 Reaffirmed 2017	<b>Freedom to Express Our Religious Beliefs in School</b>	<i>The Vermont State Grange supports that a person should be free to celebrate in school in a way they feel is appropriate for their beliefs and does not interfere or infringe on the beliefs of other students or with the education of said students.</i>
Policy 09-2009 Reaffirmed 2017	<b>Sex Offender Registry</b>	<i>The Vermont State Grange go on record as recommending there be a national Sex Offender database that is accessible by all law enforcement personnel.</i>
Policy 05-2008 Reaffirmed 2017	<b>Educational Age Requirement</b>	<i>The Vermont State Grange urges the Vermont Department of Education to require all students to remain enrolled in school or alternate program leading to a diploma or certificate until they graduate or reach the age of eighteen.</i>
Policy 06 – 2008 Reaffirmed 2017	<b>Local Foods for Schools</b>	<i>The Vermont State Grange encourages schools to investigate locally grown products and use of Farm to School Program that encourage more nutritious meals and snacks.</i>
Policy 10-2008 Reaffirmed 2017	<b>Integrated Health Care Program</b>	<i>The Vermont State Grange go on record as supporting the following: The State of Vermont shall have one integrated health care program to cover the medical needs of all residents without regard to financial, employment, or health status, age, or other discriminatory eligibility requirements. That this health care program shall be financed by the State in a just and equitable manner and any individual costs shall be related solely to ability to pay. That payment for services provided under this program shall be adequate to reimburse the reasonable and necessary costs of providing those services.</i>
Policy 10-2007 Reaffirmed 2017	<b>Stem Cell Research</b>	<i>The Vermont State Grange promote the passage of Legislation designed to utilize Fertilization clinic embryos not used in the implantation process as a source of stem cells for Federally funded research.</i>
Policy 17-2007 Reaffirmed 2017	<b>Vaccination Against HPV</b>	<i>The Vermont State Grange is on record as supporting funding and educational information for the HPV vaccine by the Vermont Department of Health to all Vermont females and males who desire it.</i>
Policy 38 -2004 Reaffirmed 2017	<b>School Choice</b>	<i>The Vermont State Grange supports school choice for all children and urges the Vermont Legislature to pass a law to provide for school choice in Vermont.</i>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

Policy 26-2003 Reaffirmed 2017	<b>Education about Living Wills and Durable Power of Attorney</b>	<i>Vermont State Grange adopt, encourage, and support education related to living wills and/or durable power of attorney as they relate to giving patients direct control over their physical and mental comfort at the culmination of this life or a terminal illness.</i>
Policy 14-2001 Reaffirmed 2017	<b>Training Teachers in ASL</b>	<i>The Vermont State Grange supports measures that would encourage the recruitment and training of teachers in American Sign Language. The Vermont State Grange also supports legislation that would provide funding to schools for teaching American Sign Language.</i>
Policy 33-1998 Reaffirmed 2017	<b>Control of Costs for Special Education</b>	<i>The Vermont State Grange urges the US Department of Education to provide appropriate funding to cover the cost of the Special Education Services that they mandate that are above the cost of regular students.</i>

**Highway and Transportation**

Policy 10-2021	<b>Interstate Speed Limits</b>	<i>The Vermont State Grange opposes the imposition of a 55 mile per hour speed limit on Interstate Highways except in those urbanized areas such as the Burlington, Brattleboro, and White River areas where the limits are already reduced.</i>
Policy 13-2017	<b>Stop Fatalities on Vermont Roads</b>	<i>The Vermont State Grange urge the Vermont Legislature to change the seat belt law to a primary offense.</i>
Policy 14-2017	<b>Drivers' Education Offered Free in All Vermont High Schools</b>	<i>The Vermont State Grange supports legislation which would require all that all Vermont High Schools offer Drivers Education to all students age 15 and over for free.</i>
Policy 08-2012 Reaffirmed 2018	<b>Headlights</b>	<i>The Vermont State Grange is on record as being in favor of the HDS headlights that are adjusted so that they don't interfere with oncoming traffic and new ones have an auto adjust feature.</i>
Policy 17-2010 Reaffirmed 2018	<b>Interstate Rest Stops</b>	<i>The Vermont State Grange asks the Vermont State Agency of Transportation to develop alternatives, consistent with federal regulations, that would permit commercial or non-profit corporations to lease and run rest area facilities.</i>
Policy 18-2010 Reaffirmed 2018	<b>Headlights Turned On</b>	<i>The Vermont State Grange supports legislation which would require all vehicles on Vermont roads always have their running lights or headlights on.</i>
Policy 11-2008 Reaffirmed 2017	<b>Vanity License Plates</b>	<i>The Vermont State Grange supports the vanity plate having an extra charge the first year to pay for making the special plates, but that a renewal sticker is at the same rate whether it is to be used on a regular or vanity license plate.</i>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

Policy 18-2008 Reaffirmed 2017	<b>Railroad Farm Crossings</b>	<i>The Vermont State Grange takes a firm stand opposing any legislation that may be put forth at the National, State, or Local levels or by any governmental agency requiring farmers or any agriculturally based business in Vermont to be liable for liability insurance for any railroad crossings found on any farm owner's property. The Vermont State Grange opposes any liability insurance payment required by any farm owners or agriculturally based businesses to the railroad corporations or related business.</i>
Policy 08-2006 Reaffirmed 2017	<b>Lamoille Valley Rail Trail</b>	<i>The Vermont State Grange recommends to the Vermont Agency of Transportation that ATV's be allowed access on the Lamoille Valley Rail Trail only to access their adjacent trails for the safety of the public who will be using the trail for walking, hiking, horseback riding, and other non- motorized uses except for snowmobiles in the winter. Copies of this resolution were sent to the Governor and the VT Agency of Transportation.</i>
Policy 9-2006 Reaffirmed 2017	<b>Roundabout Proposal</b>	<i>The Vermont State Grange opposes the creation of a roundabout at Five Corners in Essex Jct., Vermont as a replacement for the Circumferential Highway completion.</i>
Policy 23-1997 Reaffirmed 2017	<b>Separate Transportation Funds</b>	<i>The Vermont State Grange urges that transportation funds be maintained separately from the general fund and that the State of Vermont fully and adequately fund state aid for town roads and bridges.</i>
Policy 42-1997 Reaffirmed 2017	<b>Reaffirm National Policy</b>	<i>The residents of the State of Vermont and all who use the highways of this state expect and deserve a well maintained and safe highway system. Therefore, it is requested that the Vermont State Grange strongly reaffirms the National Grange's policy of urging timely maintenance repair and rebuilding of rural roads and bridges.</i>

**Legislative**

Policy 11-2022	<b>H. R. 1454 Ghost Guns Are Guns Act</b>	<i>Vermont State Grange goes on record as supporting H.R. 1454 Ghost Guns Are Guns Act.</i>
Policy 12-2021	<b>Number Spoofing or Cloning</b>	<i>Vermont State Grange urge the Vermont Legislature to take action to bring this practice of Number Spoofing or Cloning to a halt and be it further resolved that this resolution be forwarded to the Federal Government for their action on the problem.</i>
Policy 15-2021	<b>Campaign Financing</b>	<i>Vermont State Grange supports that all candidates running for local, state or national offices be prohibited from accepting campaign contributions from outside their district or state and be it further resolved that a copy of this resolution be sent to the Secretary of State of Vermont and to National Grange.</i>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

<p>Policy 5-2020</p>	<p align="center"><b>Rural Broadband Services</b></p>	<p><i>Vermont State Grange supports the formation of communications union districts (CUD) under the provisions of 30 V.S.A., Chapter 82 with the purpose of bringing high-speed Internet service (broadband) to underserved rural regions of Vermont. Be it further resolved that this is one alternative that can bring a reliable and affordable, high speed internet option to rural areas with no direct cost to towns and allows for funding to plan and conduct initial network engineering for even larger grants or very low interest loans. Be it further resolved that the Congressional Delegation be given a copy of this resolution for the express purpose of understanding our plight and our needs for continued funding from the federal level through the Federal Communications Commission as well as USDA Rural Development.</i></p>
<p>Policy 7-2020</p>	<p align="center"><b>Support for the United States Postal Service</b></p>	<p><i>That Vermont State Grange supports Title 5 of the United States Code be amended to repeal the requirement that the United States Postal Service must prepay future retirement benefits and that the offices of Senator Patrick Leahy and Senator Bernie Sanders be mailed a copy of this resolution.</i></p>
<p>Policy 15-2019</p>	<p align="center"><b>Broadband</b></p>	<p><i>The Vermont State Grange support the passage of House Bill 95, currently under consideration by the Vermont House of Representatives, that will require the Commissioner of Public Service to study the feasibility of electric companies providing broadband internet access service using electrical distribution and transmission infrastructure, or other means, and that copies of this resolution be sent to members of the Vermont General Assembly.</i></p>
<p>Policy 14-2019</p>	<p align="center"><b>Act 250 Revisions</b></p>	<p><i>The Vermont State Grange encourage the Vermont Legislature to include a review of the application procedures along with the review of the Act 250 Legislation, and that a copy of this resolution be sent to the appropriate committee in Montpelier.</i></p>
<p>Policy 13-2018</p>	<p align="center"><b>Raising the Federal Minimum Wage</b></p>	<p><i>The Vermont State Grange and the National Grange support increasing the Federal Minimum Wage to a minimum of \$12 per hour.</i></p>
<p>Policy 17-2017</p>	<p align="center"><b>Support National Passage of the Equal Rights Amendment</b></p>	<p><i>That the National Grange commit to establishing equality for women in the USA by actively supporting and advocating for passage of the Equal Rights Amendment in every state in the union.</i></p>
<p>Policy 22-2017</p>	<p align="center"><b>Gerrymandering of Voting Districts</b></p>	<p><i>That the Vermont State Grange and the National Grange take a position encouraging state legislators to delegate redistricting authority by creating non-partisan state committees of suitable individuals to define future election districts to the fair and equitable benefit of voters throughout the United States.</i></p>
<p>Policy 17-2015 Reaffirmed 2022</p>	<p align="center"><b>Selective Service</b></p>	<p><i>The Vermont State Grange urges lawmakers that unless all citizens between the ages of 18 and 26 are required to register, the Grange favors the abolition of the Selective Service System.</i></p>

**VERMONT STATE GRANGE LEGISLATIVE POLICY BOOK**

Policy 18-2015 Reaffirmed 2022	<b>Robocall Enforcement Improvement Act</b>	<i>The Vermont State Grange urges lawmakers to support adoption and enforcement of the Robocall Enforcement Improvement Act that will enhance the Federal Communication Commission’s ability to regulate and penalize fraudulent telemarketers.</i>
Policy 13-2015 Reaffirmed 2022	<b>Federal Legislation of GMO Labeling</b>	<i>The Vermont State Grange urge national lawmakers to allow states to make regulations in their state to require GMO labeling on products sold in their state.</i>
Policy 10-2014 Reaffirmed 2021	<b>Term Limits</b>	<i>The Vermont State Grange supports the laws be revised for term limits:</i> <ul style="list-style-type: none"> <li>• <i>Limiting U.S. Senators to maximum term of three (3) times</i></li> <li>• <i>Limiting U.S. Representatives to a maximum of five (5) times</i></li> </ul>
Policy 14-2011 Reaffirmed 2018	<b>Bottle Deposits</b>	<i>The Vermont State Grange continues to support current deposit requirements on liquor, beer and soda containers and also supports the expansion of the Bottle Bill to include wine and all carbonated and non-carbonated drinks (with the exception of rice milk, soymilk, and dairy containers) and that the amount of deposit be increased.</i>
